

Promoting Business for Over 50 Years

The Chamber Construction Card is a unique loyalty card offered to everyone throughout the Hurst-Euless-Bedford area. This card will allow you to receive special incentives or discounts at businesses affected by the construction in our communities. You have the opportunity to save on purchases, while at the same time supporting businesses that are facing some challenges during this transitional period.

The list of participating businesses can be easily accessed at the HEB Chamber's website. Simply scan the QR code in the card below, and you'll be immediately directed to the Chamber Construction Card page.

Plastic cards will be available while supplies last at the HEB Chamber offices at 2109 Martin Drive, Bedford, Texas 76021. In the meantime, feel free to cut out the card below and show it to any participating merchants to receive your special promotion.

If you have any questions, visit www.heb.org or call 817 283 1521 for additional information.
